

2006 Certified Exam
Cannon Mountain, New Hampshire
March 24-26, 2006

There will be an examiners clinic held on **Thursday March 23rd** .
Examiners and members who are interested in becoming examiners in any
Certified discipline are invited to attend. There will be stations set up and the
requirements to become an examiner will be defined in the following areas:

Ski and Toboggan
OEC (Practical and Bystander)
Lift Evacuation
Low Angle rescue
Avalanche
Management Interview
Hill Safety Interview

Low Angle Rescue and Avalanche are fairly new to the exam and most
examiners don't have the opportunity to view them, so, stations will be set up for
all members to observe.

Certified candidates are welcome on Thursday to view terrain.
